OGMS President December President's Message

Merry Christmas to all! It sure doesn't take long for a year to fly by. Are you all putting together those wonderful treasures? Pauline is anxious to get her cases assigned for the show and would like you all to commit to filling a show case for the upcoming show in March. Please be thinking of showing off your items. This is nice for not only our members to see but also the public who come through the door. We will have show flyers available if you know of an establishment where we can post them for getting the word out about the show.

Ed Moser has made arrangements with the Caldwell Library to fill their show cases in January. If you can help by filling a case or two please give him a call at 340-8060 if you can help with this project.

Don't forget that the Idaho Gem Club has extended an invitation to attend their Annual December workshop to be held on Dec 15th and 16th at [12843 S Five Mile Rd, Kuna ID](#). Brad has put a map to show you how to get there on our website. It starts at 10 am and runs until 5 pm. There will be cab making, wire wrapping, and lots of food and fun so come join in. Hope to see you there.

If you haven't guessed we are in full swing for the upcoming show so be prepared to volunteer where ever you can. It takes us all to pull together to make our show one of the best in the valley. With in the next couple of month's we will be stuffing grab bags so if you have polished rocks that you are donating please be prepared to turn them in. Any critters that you have made for the wheel of gems and silent auction rock need to be turned into the chairmen for these venues so be sure to watch for this notification. The board would like you to know that all the efforts each of you put forth is so greatly appreciated!! We thank you for all you have done will do and the sacrifice it takes to support this great club. Thank you for making this another great year for our "Owyhee Gem and Mineral Society".
