March Presidents Message

Hello all hope you are all recovered from the great show you all put on. It was another wonderful year with great participation. I would like to thank all of the Chairmen for overseeing the various events as you all did a fantastic job of filling the time slots. Way to Go!!! The front table was pretty busy as well so I know this month's meeting will be a big one so get ready to meet some new members.

The weather is starting to turn so this month's field trip should be the start of a super year. I know Larry is anxious to get us all back out in the field. He will have some exciting news to share with us at this meeting.

Lloyd Summers is taking up the road clean up spot for Gene Alvey and will have more information on the logistics of this event. Remember the more hands on deck the faster we get this one taken care of and the cookies and punch are the best part.

I look forward to seeing you all in just a short time. Until then may the best rock be within your reach and we will see you on the 20th.

Willa Renken
OGMS President

OWYHEE GEM & MINERAL SOCIETY**FEBRUARY 20, 2013**

Show Chairman Report

THANK YOU to all of the volunteers, venue and show feature chairs, and advertising chief--Darell for making the club's 59th show a success.

Janie will fill us in on the details at the next meeting; but the numbers have increased over last year and several vendors told me that this is the best show they have had in a while. It seemed as though the public really enjoyed what you all put together.

Your hard work is very much appreciated,
Susan

Happy Birthday March Members

Here is a little information on you Birthstone

Aquamarine is, next to Emerald, the most highly prized of the Beryl's. The color can vary from pale blue to a rich and deep blue or blue-green. You can enhance and change the color by heating the stone it can change a greenish-yellow beryl to lovely blue color. In ancient times the ones that were the "color of the sea" were considered the prize but today most want the deeper blue color. And the money value goes higher the darker and deeper blue green color. The principal localities for the Aqua are Brazil, South West Africa, India and the U.S.S.R. There are a lot of them found in the US but few of these are of gem significance.

March Field Trip Report

It's time to shake the cobwebs off the picks and shovels!

The March 2013 field trip to Graveyard Point will be on Saturday March 23rd. We will meet at the ION Junction at 8:00 and leave at 8:30.

Bring buckets, shovels, hammers or picks, food, water, tick repellent, and a high-clearance vehicle. Remember to do a warm weather-sunshine dance! (NO RAIN!)

Remember, you can pick up a field trip schedule at the meeting or find it on our website.

Hope you can join us!

Larry

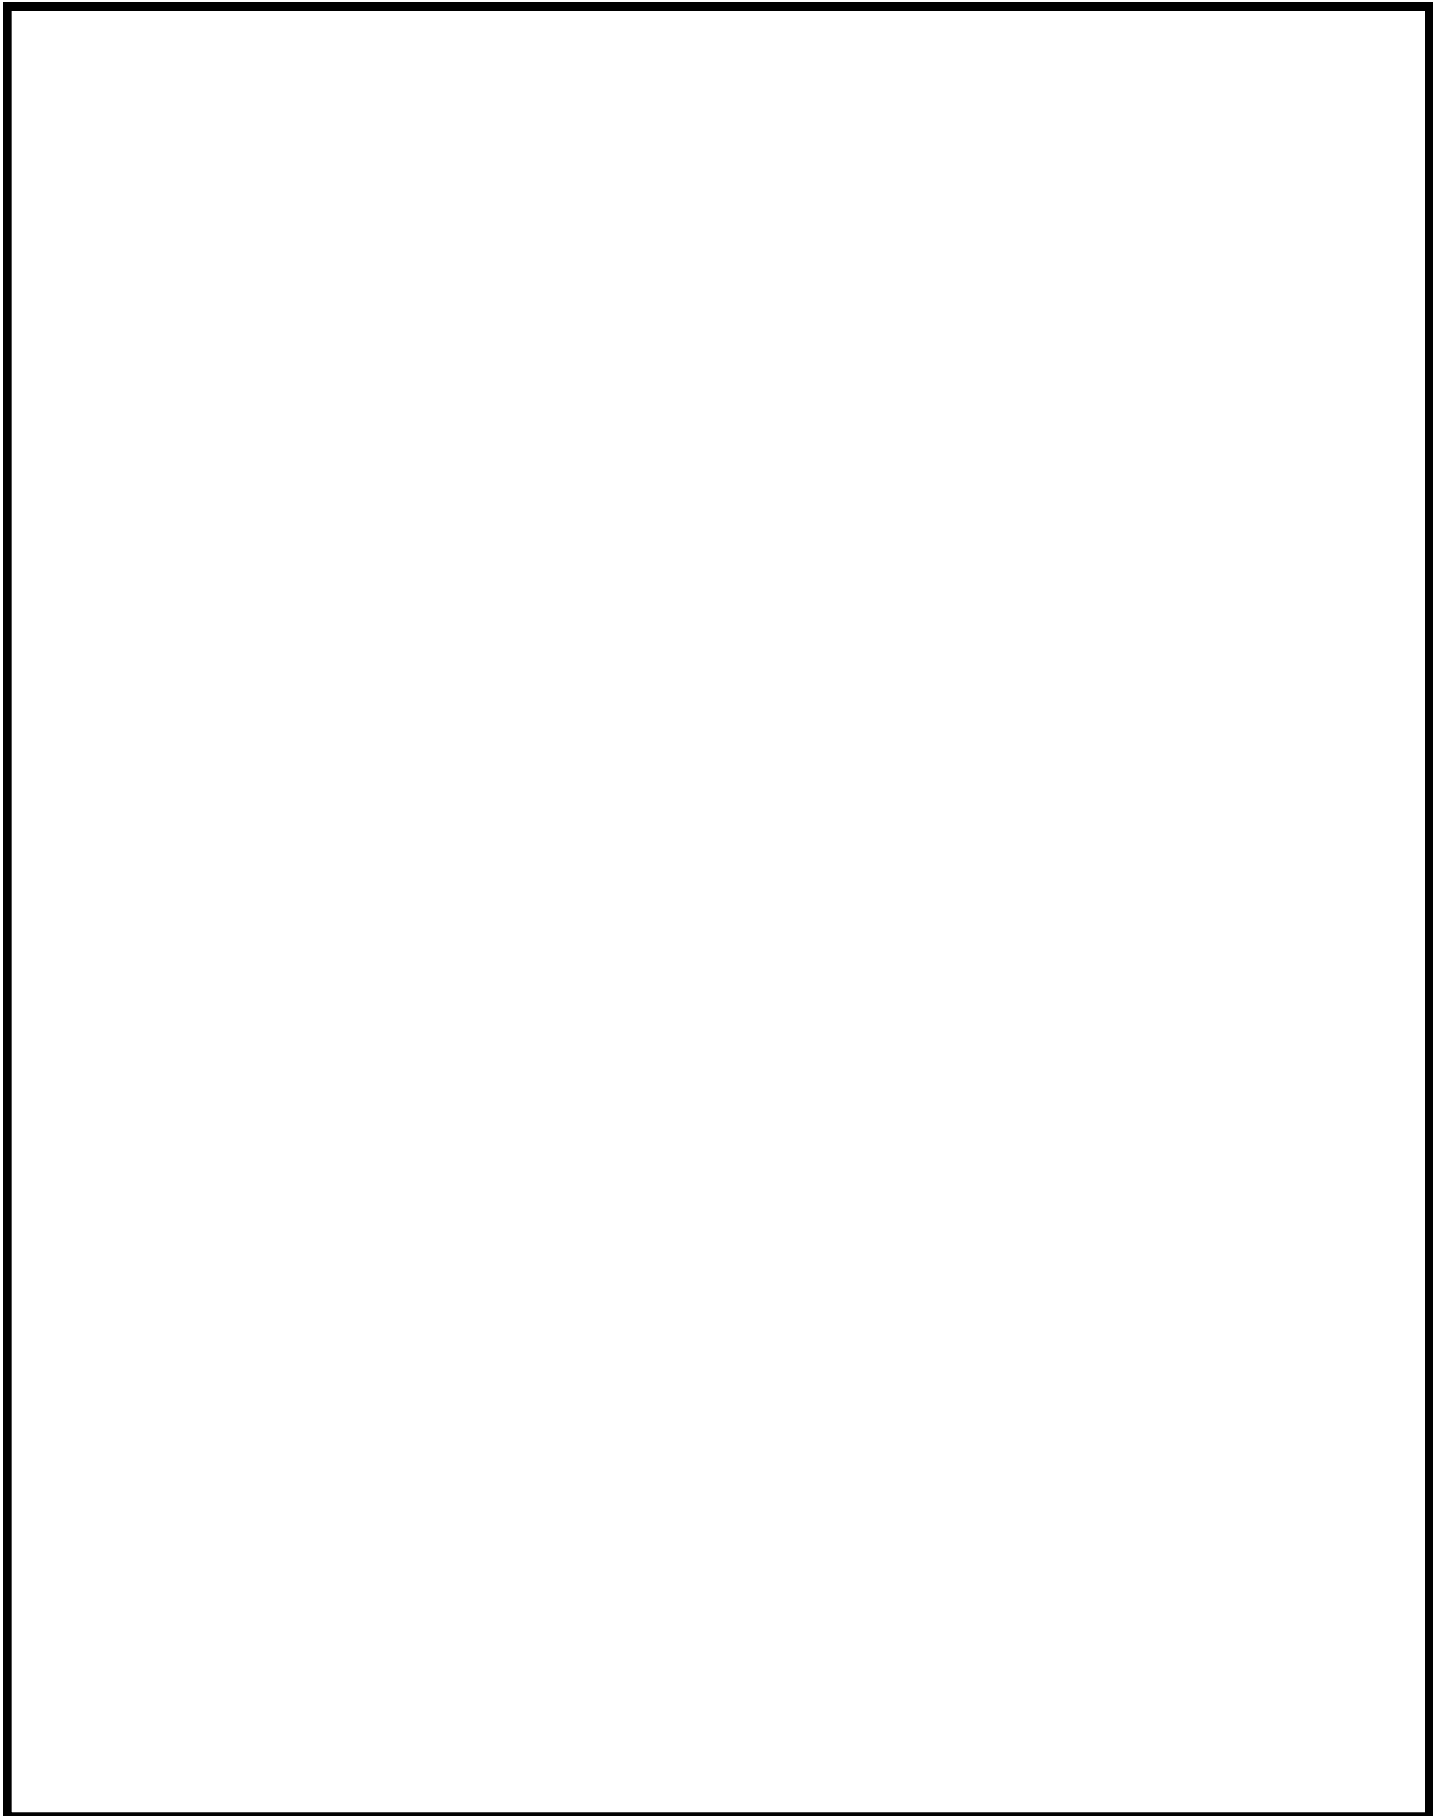

HIGHWAY CLEAN-UP

Hi there my fellow rock hounds it is that time again for us to step up to the plate and do our Spring Road Clean up. This is not a hard task for anyone person if we all jump in and help. It takes around 15-20 of us to quickly do this job. And when we are finished there is always a little refreshment and then it is off to a Rock hunting trip if desired. This is going to be happening on **April 13** so please come one come all.

Thank you Lloyd Summers Road Clean up chairman

Thank you!!

The Caldwell Library had a lot of positive comments and thanked us for the show case. Thanks to **Ed Moser**, and all those who were involved. We had cases in the Library for the months of December and January. Remember we have a great opportunity to do this very thing again next December. Thank you again Ed for organizing and getting this set up each year it is surly a great way to get our Rock hobby information out to a bigger ordinance.

Another big thank you we would like to send out to is to **Bill Anderson** for his rock donations to the club we can use these for making some Rock Critters for years to come and we used some on our Silent Auction this year thanks again Bill. Also We all have to give a big thank you to **Clarence Wright** as he uses the club tumblers and keeps them running year round to produces like 15 buckets' of tumbled Rock for our Rock Bags that are enjoyed by the young and old every year at our show he does this at his own expense Holy Cow what a electric bill. These tumblers like I said run year round except in the winter when they sometimes freeze up Thanks Clarence with out your help our bags surely wouldn't be so full. Also to all you members who donate polished rocks and we don't have your names THANKS TO EACH AND EVERYONE OF YOU

Membership Report

As we compile the information from our 2013 Show, we are happy to report 14 on Saturday and 9 on Sunday for a total of 23 new potential new members!!! And we always look forward to past members returning! **Welcome everyone!** Please join us at our next General meeting on March 20th as we present these applications to the General Body. Come help us greet these new friends!

A Special “Thank You” to Eva Roberts, Nancy Farrell, Mom (Sylvia Foreman), Larry Beattie (for his patience’s in fielding all those Field Trip questions) and the many others who stepped in as needed to help in covering the membership table. I sure could not do it without YOU! Also a big THANK YOU to everyone, who directed those expressing a desire to join or gather information regarding “OUR” Club. We passed out many forms, which we hope will return in the coming days.

My contact information is listed below, so you can give me a call or contact by email if you have any changes throughout the year. We want you to receive the newsletter to the correct address. Besides this is the only way we can insure our contact information is current.

Reminder: You get with “New Membership” – A membership card, a small patch and your name badge at no charge. With your “Renewal” you will get your membership card for the New Year. (Usually you can pick up your name badge at the next club meeting while enjoying refreshments and meeting new friends after the meeting)

We have had some inquires for replacement of Name Badges or small patches that have gone astray. You can purchase the Name Badge for \$2.00 and/or the small patch for \$3.00 each. We also have the big patches for \$10.00.

Remember: wear your name badge so everyone knows who you are.
