May President Messag

How does the saying go April Showers bring May flowers? If so this month should be chalk full of some of the most beautiful floral experiences we have seen in some time. If you have never explored the desert when it is in bloom you have missed one of the seven wonders this world has to offer. Pack up the family and give it a try you won't be disappointed.

Larry B has been busy getting this month's field trip all lined out. I think we can all agree his outings have all been a lot of fun and this one will be just as much fun. We appreciate all the hard work and time he spends in this endeavor. Thanks!!!

Judy T is trying to get the 3rd video in the thunder egg series for our meeting this month. I can hardly wait as the first two have really been very informative.

Joan is back and taking the reins back on the newsletter so if you have any interesting articles or some news to share with the club please be sure to let her know. The more we all contribute the more interesting it makes for the new members and old ones as well.

For those who have been wondering about the parking passes. When I contacted the college for renewing the room rental the young lady in charge said as long as we were parking in the west lot and not next to the dorms we would not need them this year. Also as May is graduation month and there are a lot of events that happen at the college you may find parking to be at a premium. In the event there are no spaces available there is a parking lot behind the Boone building off of Oak and Indiana just something to keep in mind should you need to park with in walking distance.

I look forward to seeing you all at this months' meeting. Remember if you have a spare slab or rock to share the monthly drawing is a great way to do this. Thanks to all of you who have been so generous as young and old really do enjoy this event. See you soon!

*Willa Renken
OGMS President*

April Field Trip tPink Plume Claim

Bright and early on April 21st the OGMS rockhounds and friends set out for the Pink Plume Claim. We had a quite a nice number of folks on this trip and we hope everyone had a good time. There were 45 participants including 4 from the Idaho Falls area gem club. The weather was picture perfect and lots of beautiful rock was taken home. Remember to save a nice piece for the silent auction!

Mark your calendar and join us for our upcoming trip to the Big Egg Claim! The road in can be rocky, steep, and rough, so high clearance and/or 4WD is recommended or hook up with a friend who is equipped.

May Field Trip: May 19th, 2012
Meet at Marsing High School, 7:30 A.M, leave at 8:00 A.M.

Big News, Big News Alert!!!!!!

Show Chairman Report

We received some news this month. Dan Stevens is retiring as the silent Auction chair this year. Dan's commitment to our club has helped make many, many successful shows. Please take a few minutes to thank Dan for all of his help.

If you are interested in helping the club continue with the Silent Auction this year, Dan can answer your questions about what is needed a lot better than I: so feel free to bring this up at the next meeting or give Dan a call and ask your questions.

In the meantime; collect rocks for the silent auction and the sand Dig, make rock critters, tumble rocks, and think of other things to put on the show chair meeting agenda.

Susan

Sunshine report

I sent a Sympathy Card to Dick Parker as His wife Irene passed away April 13. And sent a Get Well card to Susan Beattie. Also sent a get well card to Pete Oakander. Get well wishes go out to you all.

**In Memory of
Irene Parker**

Irene and Dick Parker were members of the Owyhee Gem Club for many years. Dick was the Treasure for the club. They always took their turns at hosting the Board meeting as at their home during this time. They both enjoyed attending our Critter making sessions for the Gem Clubs shows.

Hey all you May babies its your birthday you know who you are and all we want to do is wish you all the very happiest of birthdays.

And congratulation to all who have the honor of having anniversaries this month hope they bring you nothing but the happiest of days.
