September President's Message

Hello all hope this finds you all well and having just enjoyed your Labor Day weekend. Thank heavens it is finally cooling down with our days reaching moderate temps what a relief.

It hardly seems possible but it is once again election time for our club. If you would like to serve on the Board as a Director please let me know or one of the Board Members as we encourage new growth and ideas.

September brings us once again offering a youth group at our meetings. I know Caroline has put a lot of effort into having things for all the ages to participate in. The only thing we as a club ask is that if your child is involved in the youth program please consider helping out. It is a big job for just one person when we have a number of youth who attend. We do embrace the more the merrier we just need more oversight as everyone learns more when all the questions can be answered or help given with the various projects.

November is just around the corner so wanted to remind you that we have our Annual Christmas Auction in that month so start thinking about what you would like to donate. These would be items you could give for a gift or maybe just purchase your own Christmas present. Any way you look at it our auctions are always a lot of fun thanks largely in part to Ed as our auctioneer.

Be sure to run through the adjustments to the By-Laws so we can discuss them and make any more adjustments that may be needed.

Think that about covers it other than I look forward to seeing you all on the 16th at the Best Western in Caldwell at 7:30 pm.

- Willa Renken, OGMS President

OWYHEE GEM & MINERAL SOCIETY GENERAL MEETING MINUTES**August 19, 2015**

The meeting was called to order at 7:30 p.m. by President, Willa Renken.

Willa requested additions or corrections to the previous meeting minutes. Brad Larson made a motion that the minutes be approved as printed in the newsletter; Dixie Booker-Lair seconded the motion. The previous meeting minutes were approved as printed in the newsletter.

Secretary: The lovely Larry Beattie was appointed to serve in the absence of Debbie Lawrence this evening.

Vice President: Jim Hopkins arranged a presentation on noxious weeds given by Canyon County code enforcement officer, Jim Martell. The presentation was very interesting and informative.

Treasurer: Janie Ehlers reported the picnic auction added \$850.00 to the club's account and some vendor fees for the 2016 show were received. Income for the past month was approximately \$3543 and expenses for the newsletter and miscellaneous items was \$843.45.

Show Chairman: Susan Beattie requested suggestions for the 2016 show theme so that Darell Ehlers could begin submitting information to advertisers. The club will be expanding advertising this year to the television market.

Request for venue donations was also made. The club will need donations for the silent auction, wheel of gems, grab bags and the sand dig. If each member contributes 10 items, it would go a long way toward meeting the clubs needs for the show.

The membership contributed many great theme ideas and voted that "Gemstones are Keen, for 2016" will be the theme for the upcoming show.

Federation Chairman: Ed Moser thanked Red Larson for bringing a nice book of stamps for the cancer research fund-raising effort. Ed also asked the membership to please keep the stamps coming! The Federation field trip will be the week of September 16-21.

Sunshine Chairman: Rose Mary Peterson reported that Gene and Joan Alvey could use some calls from members, as they have both been under the weather lately.

Membership Chairman: Kathi Larson offered a new membership application for the club's approval and reminded the membership that dues for next year are due by the October meeting. Please give your membership dues to Kathi before the October meeting.

Field Trip Chairman: Ithel Kildow reported that the next field trip is to the Pink Plume Claim. Meet at the Homedale city park at 7:00 a.m. And leave for the Owyhee Junction at 7:30 a.m. To pick up other members, leave the Owyhee Junction at 8:00 a.m. A high clearance vehicle is necessary for this trip.

Web Master: Brad Larson reported that everything is up to date.

Refreshments: Jessica requested that members sign up to bring refreshments for September. Singles will bring refreshments (and popcorn balls for Willa) in October.

Historian: Pauline Prather had nothing new to report.

Unfinished Business: Willa requested the membership to review the bylaws printed in the newsletter and make suggestions for revision. Denise will keep track of all revisions and the membership will have one more meeting to review the draft bylaws before voting on them. Bylaws are one of several requirements the club must meet to qualify for 501 (3c) tax status.

Willa asked Susan to contact the BLM regarding how the recent fire activity at the clubs big egg claim may affect planned work.

New Business: No items were presented to the membership.

The meeting was adjourned at 9:30 p.m. Minutes are respectfully submitted by the lovely Larry Beattie, Secretarial Intern.

Sapphire, the September birthstone, has been popular since the Middle Ages and, according to folklore, will protect your loved ones from envy and harm. Medieval clergy wore sapphires to symbolize heaven, while commoners thought the gem attracted heavenly blessings. Blue sapphires range from very light to very dark greenish or violetish blue, as well as various shades of pure blue. The most prized colors are a medium to medium dark blue or slightly violetish blue. Sapphire is a variety of the gem species corundum and occurs in all colors of the rainbow.

Aster flowers, one of the September birth flowers, are symbols of Love, Afterthought, Faith, Wisdom, Valor, and Light.

The genus Aster includes some 600 species of widely distributed flowering plants in the family Asteraceae. Aster comes from Greek word for "star", and refers to the shape of the flower head.

Many of the species are popular garden plants because of their showy flower heads. Believed in ancient times that burning the leaves of the aster flower drove away serpents. Also to symbolize afterthought, aster's were laid on the graves of soldiers.

Vice President: Jim has a program lined up for the next meeting.

Treasurer: There hasn't been much activity since the last meeting.

Show Chairman: There are 10 dealers that have paid for the 2016 Gem Show, most of the Chairmen have been signed up for the venues, and the theme has been selected. It was decided to make another wheel for the 'spin the wheel' venue. There was a discussion regarding pricing for television advertising prices. There will be another meeting planned when more information is received. Susan will be going to the trailers to pick up the books to be restored. Books will be given to Randy to take in for restoration.

NFMS Field Trip Update—From Warren Rood:

As you all know, this has been the year of the fires. Currently the BLM is saying we cannot camp on and that has any vegetation because of the extreme fire danger. They say there are not any places without vegetation large enough for our entire group. Because of this, they have urged me to use the park as our headquarters. So right now Succor Creek State Park just south of Homedale ID will be our headquarters. We will try to get as many vehicles and tents as possible into the State Park. It does have vault toilets and picnic tables and is a nice place to camp, but room for maybe 30- 40 units. There is no camping fee at the park or on BLM land. There are smaller places along the Succor Creek Road that are nice with no vegetation, where individuals can also camp. Directions are the same as was posted earlier on the website and newsletter, just go till you hit the State Park or clear areas with no vegetation. If there are any changes, I will post them on this website.

For all of those camping, please register around 6pm on Wednesday Sept. 16. at the State Park. We will meet each day at 8:00 AM and leave at 8:30 AM.

The leaders will bring samples of the material that you will find on each day.

Thursday: GRASSY MOUNTAIN AREA. Meet at Succor Creek State Park 8 AM

Friday: GRAVEYARD POINT and REYNOLDS CREEK. Meet in Homedale Park, ID at 8AM.

Saturday: SUCCOR CREEK. Meet at Succor Creek State Park 8 AM

Sunday: WAGON TOWN AND JORDAN VALLEY. Meet at Succor Creek State Park 8 AM
