February President Message

As most know this is my busy time so this message will be short and sweet. Judy Tucker has a program this month on "How to set up a show case". It will be put on by Susan Beattie and Pauline Prather. This will hopefully give those who are unsure some ideas on how to join in. Most of these things just require doing it and you will learn as you do. The public and your friend's just want to see what you have been doing and or collecting in this last season.

Carolyn and Neil will be hosting the grab bag stuffing. It will be held on Feb 18th so if you have any rock or bags they will be needed by that date. If you have questions please be sure to get a hold of her. The show is coming up the first of March so be sure to set aside Thursday the 1st to start set up for the Annual Show. It will start at 9:15 and the finishing touches will be put in place on Friday. Make sure to get signed up for the shift in the venue you would like to work in at the show. I also know Myrt would like all kinds of help with the chili lunch on Friday afternoon. Pauline would also like those who are putting in show cases to get the applications in by February meeting so she can get the cases and ribbons taken care of.

We would like to thank Darell for stepping up to help Joan in getting the newsletter out. As most of you know Joan has been too sick to take on this task. I am sure he will be a great editor until Joan can get back on her feet. We love you Joan and can hardly wait for you to be back with us the sooner the better. If you have articles or can help with things to put in the newsletter please contact Darell so he can get it organized.

Your membership chair Neava Haney has put in a request that is if you have not picked up your membership card to please see her after the meeting. She has a number of them that need to be picked up.

I think that is all for now just would like to thank you all for chipping in to help with making this club successful. You all rock!!! See you at the next meeting.
